Course Management determines delays or closures of the golf course. Rain checks will be issued due to inclement weather. Refunds will not be issued.

Pace of Play Policy:

Heather Ridge maintains an aggressive pace-of-play policy in order to assure everyone's enjoyment of the game. If you cannot play the golf course in 4 hours or less, please consider reserving a tee-time during non-peak hours. While playing, if you fall a shot or hole behind the group in front of you, you may be given the opportunity to catch that group within a one-hole span. If you do not catch up with the group, your group may be moved forward, into position behind the group in front of you. Heather Ridge does everything possible to ensure an acceptable

pace-of-play; however, we do not guarantee that your round will conclude within a specific amount of time.

Dress Code:

Shirt and shoes must always be worn on the golf course. Appropriate golf attire is required. Shirts may not display vulgar words, obscene images or be contrary to the values of the golf course.

Shoes worn on the golf course must be appropriate for golf, as determined by the Course Professional or Golf Course Superintendent. Use of metal/ceramic spikes is prohibited.

Course Conditions:

It is always our goal to keep the course in top condition. At times, sound maintenance practices, such as aeration and top dressing, may inconvenience players or alter playing conditions. While we regret this, we know that is necessary within the over-all conditioning of the course. Aeration season at Heather Ridge is in the Spring and Fall.

Code of Conduct:

Please treat all associates and fellow golfers with the respect and consideration with which you expect to be treated.

Always Use of decent and proper language and behaviors. Swearing, vulgar language or gestures, throwing clubs, displaying poor conduct or behavior may disqualify your golf privileges at Heather Ridge Golf Course.
